Unseen Travel.  
An Vas Lor Xen  
This spell affects the  
caster for a long  
period of time. It  
makes the caster able  
to move without being  
seen for many paces.  
Squelch.

This spell has a  
duration that depends  
on the casters ability.  
For example, if the  
caster is adept in  
these arts and casts  
this , it will last long.  
Combination Rites.

These rites are used to  
combine our magic  
spells in order for  
long term and  
permanent use. These  
rites are simple.

First, you cast the  
first spell you wish  
to combine with  
another, and then  
while it has taken  
effect, cast the next  
one. Do so until the  
target has all the  
similar effects. Then  
you must say the  
words Com Pra Xlow  
Ghen, and the dust  
will show above the  
targets head and the  
target will have those  
effects permanent.
